Professional Experience

Equipment Manager / Head Mechanic Miramont Country Club, Bryan, TX 2018 – September 2025

- Led a team of 2 mechanics responsible for the maintenance and repair of all turf equipment, vehicles, and property assets across 5 departments.
- Managed full-service shop operations, including preventative maintenance programs, diagnostics, engine rebuilding, hydraulic and electrical troubleshooting, and fabrication projects.

- Maintained the highest standards of equipment performance to support daily play and tournament conditions, consistently achieving superior Quality of Course (QOC) ratings.
- Oversaw budget tracking, parts ordering, and inventory management for multiple departments while maintaining cost efficiency.
- Performed extensive welding and fabrication work to support ongoing equipment needs.
- Specialized in small diesel engines (Kubota, Yanmar, and similar).

Equipment Manager / Head Mechanic The Club at Cordillera, Edwards, CO 2015 – 2018

- Supervised mechanics and managed maintenance operations for Toro and John Deere turf equipment and fleet vehicles.
- Directed repair, maintenance, and winterization programs while maintaining detailed service records and on-time completion schedules.
- Managed seasonal parts procurement and inventory for summer and winter operations.
- Performed advanced troubleshooting, engine rebuilding, welding, and soldering.

Equipment Manager / Head Mechanic Spring Valley Lake Country Club, Victorville, CA 2011 – 2015

- Managed preventative maintenance, repairs, and upkeep of all fleet equipment and golf carts.
- Oversaw parts ordering, budget management, and maintenance of accurate records for equipment, hazardous waste, and fuel usage.
- Supported equipment training initiatives and collaborated with the Assistant Superintendent on scheduling and operational needs.
- Maintained a safe, organized, and professional shop environment.

Mechanic Van Buren Golf Center, Riverside, CA 2010 – 2011

- Performed preventative maintenance and repairs on fleet equipment and golf carts.
- Maintained detailed service records and ordered necessary parts.

Mechanic Valley Crest, Norco, CA 2007 – 2009

- Conducted maintenance, repairs, and servicing of turf equipment and golf carts.
- Assisted with equipment training and supported operational scheduling needs.

Equipment Operator Hidden Valley, Norco, CA 2003 – 2005

- Maintained golf course playing surfaces including fairways, bunkers, and tee boxes.
-
